

2014

Complete register of 1970 and 1971 build
Morris Marinas
Public Edition v1.0

Compiled by Joshua Ward

Changes to production

By 47** (Coupes only) removal of lower side window trim

By 142** removal of early inner wings (recessed brake pipe, no space for bump stop being moved, horizontal join with outer wing)

c.22,000-c.26,000 change to one hole in engine bay on passenger side (under windscreen washer bottle) only

c.26,000 + no holes in engine bay

37897- change to later type front suspension

39000- change back to earlier type front suspension

40793- change to later type front suspension

41589- change to later type wiper pattern? (See SPO 110K/MCU 274K)
